

Catering Menu

At Earl's we use only fresh ingredients which are prepared in our own kitchen. We do not use processed cold cuts in our sandwiches; instead we roast our own turkey, pork and beef daily. Our soups are 100% homemade and our cookies, brownies and pies are baked from scratch. We know you will appreciate the difference.

In addition to serving a high quality product, we also believe that communication is crucial to customer satisfaction. We always strive to fully understand the needs of our customers so that we can provide outstanding service.

Included in our menu are our selections for breakfast, sandwiches, soups, appetizers, and desserts, as well as our selection of homemade salads, side dishes, and beverages.

Thank you for considering Earl's for your catering needs.
